## "MEN ON A MISSION"

### PROCEEDS TO BENEFIT

## "MEN on a MISSION" MENTORING PROGRAM at Grace Centers of Hope

Men once *in* a Mission

Are now

Men *on* a Mission

We are experiencing a horrible epidemic among men in the United States of America. Our families are being torn apart due to lack of male leadership as husbands and fathers. Roughly 1 out of 100 men in our country are currently incarcerated and 68% of those men will be back in prison once released, if not given opportunity to embrace a new way of life. This vicious cycle continues as 90% of all homeless and runaway youths come from fatherless homes. Now, more than ever, we need men to step up and train men to be dependable fathers, husbands and leaders.

The Men on a Mission Mentoring Program is designed to pair graduates from our program with those who are new at Grace Centers of Hope. Men who have transcended the horrible lows of addiction and homelessness are stepping up to teach and train men to break free from the bondage of a life on the street and in prison- teaching them to be responsible, accountable and dependable men who will lead their families in an honorable way.

In addition, a unique aspect that is not found in any other mentoring program of this type is that Grace Centers of Hope will provide funding for the mentors to pursue college education or vocational training. The funds raised from the softball tournament will be used to pay for the "Men on a Mission" Mentor's:

- Books and school supplies
- Transportation
- College Education or Vocational Training
- Any other expenses related to furthering the education and skills of our mentors

## GROUP REGISTRATION

Group/Team Name:

Address:

City, State and Zip:

Phone Number:
